ZOOM WORKSHOP

MONDAY, JUNE 7, 12:00-1:00 PM

International Pollinator Week is June 21-27. Anna Bright, Former President of the Alabama Wildflower Society and local landscape designer will be using ecologically friendly plant materials in creating a brand new pollinator garden at Ditto Landing. In this workshop, Anna will talk about her project and you'll learn how we all can protect our pollinators and what efforts can be taken to protect and provide habitats for them. Let's celebrate our pollinators!
